***If you have previously registered your family with Guilford County and you need to add a new swimmer to your family, you will need to do so before you register for the Bur-Mil Marlins. To add a family member, first click on “Guilford County” at the top of any of the pages of the Guilford County website. This will take you to the main Guilford County page. Next, click on the “My Account” tab on the top of the page. Then, select “Household & Member.” Follow the instructions on the page to add a child to your family account.
