Information

About the Marlins

Bur-Mil Marlins Swim Team is a competitive swim program for children ages 5-18. The minimum skill requirement for participation is the ability to swim one length of the pool without stopping (25 yards). The Marlins participate in 5 dual meets each season. The season wraps up with a final competition called the City Championship Meet, a 3-day event where all swimmers in Greensboro’s Community Swim Association compete against one another. The City Championship will be held on July 6th – July 8th at the Greensboro Aquatic Center.

Costs

- The cost to join the swim team is \$120 for the 1st swimmer, \$110 for each additional swimmer (same family). This money is due at the time of registration. **Registration is online ONLY.** However, each participant will need to complete a CSA “Swimmer Registration/Release Form.” Please let one of the coaches or a Bur-Mil Park staff member know if you need additional copies.
- Team swimsuits are optional. Children may wear their own suits so long as they are appropriate for competitive swimming. Our team colors are green and black. Please keep this in mind if you are purchasing your own suit.
- To get an idea about sizing, you may visit Omega Sports or Dick’s Sporting Good and try on a competitive swim suit (Speedo or TYR preferred) to determine the best size.
- TEAM Suits are available for purchase by visiting www.augustaswimsupply.com. Click on the “Teams Login” link on the left hand side of the page at the bottom. Our username is *burmil* and our password is *1234*.

NEW Volunteer Policy:

All families will be expected to volunteer at ALL HOME meets and one away swim meet.

Volunteers will be assigned specific duties for meets to ensure that all families are contributing equally to the success of our team.

If you are unable to fulfill your volunteer assignment, it will be your responsibility to find a replacement and to notify the coach of the change.

Required Meet Volunteers

Approximate quantities in parentheses (# = home meet, # = away meet)

Clerk of Course (6, 4) - Organizes and seats the swimmers in the event they are to swim as assigned on the swimmer's entry card.

Hospitality, during the meet (3, 0) - Keeps all workers and coaches hydrated with water or other beverages.

Hospitality, pre-meet (5, 0) - Especially for parents who cannot help during the meets, this job involves contributing to the snacks and drinks provided to swim meet volunteers at home meets only. Food can be brought to the pool at any time prior to the start of the meet. Especially appreciated are home-baked goodies (cookies, muffins, banana bread) and fruit (cut or whole).

Newspaper Recorder (1, 0) - The Newspaper Recorder fills out the results form to be sent to CSA's web site manager, who will put them on the CSA web site and forward them to the News & Record. This form needs to be downloaded from the CSA web site (www.greensborocsa.org), completed, then emailed by 9:30 AM on the day following the meet. Complete instructions are on the form itself.

Referee* (1, 0) - Presides over the meet to see that the meet runs on time, and is fair and safe for all swimmers. It is the responsibility of the Meet Referee to stop a meet due to hazardous weather conditions. The Meet Referee holds meetings for coaches and officials at the beginning of each meet to answer any questions and make necessary clarifications of rules and procedures. The Meet Referee clears the pool at the start of each race by blowing a whistle. He must also sign all swimmer disqualification forms before they are sent to the Scorer's Table.

Ribbon Labeler (1,1) - Puts labels (indicating swimmers' event, age group, and time) on ribbons during the meet, provided the home team is willing/able to print award labels throughout the meet.

Runner (4, 4) - Transfer meet documents as needed. Card Runners bring entry cards from timers to scoring table. DQ Runners bring DQ slips from judges to meet referee for initialing, then to scoring table. Note: Card Runners must also run cards from the starting end of the pool to the finish end in races of just one length. This position is split so you only work half the meet.

Scorer/Data Entry (2, 2) - These people sit at the head table during the meet and essentially keep the meet running. They enter swimmers' times into the computer, make any changes to entries in the computer, and score the meet in the computer. This job is one of the most important jobs at the meet!

Starter* (1, 0) - Gives the commands to the swimmers to start each race, and then to start the race.

Stroke and Turn Judge* (4, 4) - Determines if each swimmer is swimming the stroke legally as defined by USA Swimming rules. It is the responsibility of the Stroke Judge to disqualify any swimmer whose stroke, start, turn, or finish is illegal. This position is split so you only work half the meet.

Timers (12, 12) - Time the swimmers in each race using stopwatches provided by each respective team. One Timer records all times on the entry card, which the Runner picks up for delivery to the Scoring Table. This position is split so you only work half the meet.

Head Timer (2, 0) - Keeps time with back-up stopwatch in case lane times have trouble. This position is split so you only work half the meet.

2017 Stroke & Turn And Referee & Starter Training Schedule

OFFICIALS CLINICS - COMBINED

To be a stroke & turn official for a CSA regular season swim meet, you must attend one brief clinic to help insure we provide a fair, consistent experience for our swimmers.

A list of each club's officials will be posted on the officials section of the website. To be a starter or referee, you must also attend the starter/referee portion of the officials training session, which immediately follows the stroke and turn training.

If you are a USA Swimming certified stroke and turn official, you only need to attend the starter/ref portion of the training to be a referee.

COMBINED Stroke & Turn, and Starter/Referee Clinics – May 9, 11, and 15.

All sessions held at Sherwood Swim and Tennis, 100 Alma Pinnix Dr, Greensboro, NC 27405.

The Stroke & Turn portion of the training will begin at 7pm each night.

The Starter/Referee portion will follow immediately, beginning at 8:16pm each night.

If you cannot make the dates above... You may earn your credentials by paying for an online course at www.strokeandturn.com and then send the completion certificate to edwardbstephens@gmail.com

As an incentive to encourage additional parents to earn certification, we will offer a FREE silicone cap (for your swimmer) OR spirit wear t-shirt to any parent that attends the stroke and turn course or earns their credentials through the online course.
