# Information

## *About the Marlins*

Bur-Mil Marlins Swim Team is a competitive swim program for children ages 5-18. The minimum skill requirement for participation is the ability to swim one length of the pool without stopping (25 meters). The Marlins participate in 4-5 dual meets each season. The season wraps up with a final competition called the City Championship Meet, a 3-day event where all swimmers in Greensboro's Community Swim Association compete against one another. Participation in the City Championship is optional.

## *Costs*

- The cost to join the swim team is \$60 per child due at the time of registration.
- Participation in the City Championship is \$10 per child. This fee is due later in the season once you decide if you want to participate.
- Team swim suits are optional. Children may wear their own suits so long as they are appropriate for competitive swimming. You will have the opportunity to try on a Suit at the Parent's meeting on April 26. Suits will be available for purchase by visiting [www.augustaswim supply.com](http://www.augustaswim supply.com). # Parent Volunteers

**Volunteers are essential to having a successful team. All families will be expected to volunteer for at least two swim meets.**

## SWIM MEET VOLUNTEERS

Organizing and keeping a swim team going takes many volunteers. Home meets require over 50 workers and away meets require about half that number. It is the responsibility of every parent of a swimmer to help out in these positions. Please pitch in to make this a great season for our swimmers! Following are descriptions of volunteer positions.

Approximate quantities in parentheses (**#** = home meet, **#** = away meet)

**Announcer (1, 0)** — Calls up events and announces names of swimmers in each event.

**Card Sorter (2, 2)** — Writes the official time on the card, determined by the middle time recorded (fastest and slowest times are discarded.) Swimmers' cards are arranged by fastest to slowest official times for each event, and the corresponding place is recorded on each card. In the event of a DQ, the Card Sorter staples the entry card to the DQ slip, and places all DQs on the bottom of the cards for that event, then passes all cards (in order) to the scorer.

**Clerk of Course (4, 4)** — Organizes and seats the swimmers in the event they are to swim as assigned on the swimmer's entry card.

**Hospitality, during the meet (3, 0)** — Keeps all workers and coaches hydrated with water or other beverages.

**Hospitality, pre-meet (5, 0)** — Especially for parents who cannot help during the meets, this job involves contributing to the snacks and drinks provided to swim meet volunteers at home meets only. Food can be brought to the pool at any time prior to the start of the meet. Especially appreciated are home-baked goodies (cookies, muffins, banana bread) and fruit (cut or whole).

**Newspaper Recorder (1, 0)** — The Newspaper Recorder fills out the results form to be sent to CSA's web site manager, who will put them on the CSA web site and forward them to the News & Record. This form needs to be downloaded from the CSA web site ([www.greensborocsa.org](http://www.greensborocsa.org)), completed, then emailed by 9:30 AM on the day following the meet. Complete instructions are on the form itself.

**Referee\* (1, 0)** – Presides over the meet to see that the meet runs on time, and is fair and safe for all swimmers. It is the responsibility of the Meet Referee to stop a meet due to hazardous weather conditions. The Meet Referee holds meetings for coaches and officials at the beginning of each meet to answer any questions and make necessary clarifications of rules and procedures. The Meet Referee clears the pool at the start of each race by blowing a whistle. He must also sign all swimmer disqualification forms before they are sent to the Scorer's Table.

**Ribbon Labeler (1,1)** - Pick up labels (indicating swimmers' event, age group, and time) after the end of the swim meets and place labels on ribbons at home following a dual meet. Labels are printed out after the meet's data are entered (see scoring data entry)

**Runner (4, 4)** – Transfer meet documents as needed. Card Runners bring entry cards from timers to scoring table. DQ Runners bring DQ slips from judges to meet referee for initialing, then to scoring table. Note: Card Runners must also run cards from the starting end of the pool to the finish end in races of just one length. This position is split so you only work half the meet.

**Scorer (2, 2)**— Keeps a cumulative score of the meet. This record indicates by event the swimmer's name, team, time, and points earned. Each team provides a Scorer, and they work together to confirm accuracy. This position is split so you only work half the meet.

**Scoring Data Entry (1, 1)**— Enters each event scores to a computer. This is done during the meet.

**Starter\* (1, 0)** – Gives the commands to the swimmers to start each race, and then to start the race.

**Stroke and Turn Judge\* (4, 4)** – Determines if each swimmer is swimming the stroke legally as defined by USA Swimming rules. It is the responsibility of the Stroke Judge to disqualify any swimmer whose stroke, start, turn, or finish is illegal. This position is split so you only work half the meet.

**Timers (18, 12)**— Time the swimmers in each race using stopwatches provided by each respective team. One Timer records all times on the entry card, which the Runner picks up for delivery to the Scoring Table. This position is split so you only work half the meet.

**Head Timer (2, 0)**— Keeps time with back-up stopwatch in case lane times have trouble. This position is split so you only work half the meet.

**Leadership Team** — The Leadership Team organizes and handles swim team logistics and communicates with Bur-Mil Park regarding the swim team. There are at least 3 meetings per year to plan and discuss the swim team each year. This is also a volunteer team and is open to any swim team parents. We are currently working on by-laws to govern this team. We would appreciate any input, as we are formulating a governing board that will be beneficial for the swim team for many years to come.

**Team Manager** — Coordinates the Leadership Team. Plans & leads meetings and communicates with Bur-Mil Parks & Recreation. Attends CSA meetings as a Marlins Team Rep.

**Volunteer Coordinator** — Coordinates volunteers for each meet according to volunteer sign-ups. Also seeks to fill positions when needed. Participates in Leadership Team meetings.

**Fundraising Coordinator** — Coordinates fundraisers. Participates in Leadership Team meetings. Attends CSA meetings as a Marlins Team Rep.

**Secretary** — Coordinates the many miscellaneous items for the swim team. Participates in Leadership Team meetings.
